The recommendation to the Board may need to reflect several different possibilities, allowing the Board to authorize that which reflects the anticipated number of licensees as of the date of possible Board action.] Possible recommendation for Board action to specify bar crossing mill rate to be charged by licensees during the calendar quarter beginning January 1, 2014 pursuant to Harbors and Navigation Code section 1191 (a)(1)(A).

As of December 9, 2013 there are 58 licensed Bar Pilots. It is not anticipated that any trainees will become pilots in this quarter. Based on the SFBP audited annual income for 2012, it is projected that the mill rate will not need adjustment.
