The Board of Pilot Commissioners Pilot Fitness Committee and Rules and Regulations Committee met jointly on August 29, 2012 at 9:35 a.m. at the Board of Pilot Commissioners office, 660 Davis Street, San Francisco, California. Open Meeting:

1. Call to Order and Roll Call.

Commissioner Wainwright called the meeting to order at 9:35 a.m. There was a quorum established for the Rules and Regulations Committee, but not initially for Pilot Fitness.

2. Approval of Joint Rules and Regulations and Pilot Fitness Committee meeting minutes of August 7, 2012.

There was a quorum established in Rules and Regulations but not Pilot Fitness, so the Approval of Minutes was postponed awaiting a quorum in both Committees.

- 4. Review completed draft document of pilot fitness regulations as amended by the Committee on June 20, 2012. Edit or change document consistent with review process, if necessary.**

The committee debated the merits of another round of revision and, as there was no quorum established for the Fitness Committee, chose to read through the document “round robin” style. If there is a quorum established at the next meeting, the Committee will finish reading through the document to for clerical changes before submitting it to the Board for review.

- 5. Review, discuss and edit as necessary, portions of draft document submitted to Board Counsel, Committee members, or Board staff for review and drafting outside of Committee meetings.**

This agenda item is similar in scope to agenda item #4 in that Board Counsel had contributed to the draft reviewed under item #4, and was not addressed separately.

- 6. Review all forms suggested by the Pilot Fitness Study and by currently completed work on regulations.**

Discussion on this item was deferred to a later meeting.

- 7. Discuss and compile statistical estimates of medical services to be utilized in obtaining a market analysis of the fiscal and economic impacts of implementing a medical regime based on these regulations. Discuss obtaining healthcare consulting services for market analysis.**

Executive Director Garfinkle reported that Staff has begun the market analysis process and the Committee discussed items that should be included in the contract.
