

**Port Agent Report to BOPC  
May 28th, 2020**

**ABSENT FOR MEDICAL REASONS (AFMR) REPORT:**

- Captain Carlier since Sept 2019
- Captain Kirk since Dec 2019
- Captain Boriolo since Jan 2020
- Captain Klees since Mar 2020
- Captain Martin since April 2020

**RECOMMENDED MINIMUM REST PERIOD EXCEPTIONS:**

We continually monitor the dispatch list for possible 12 h MRP exceptions. If the potential exception is likely to result in a rest period of less than 10 hours mitigating measures are employed. These measures include, but are not limited to, suspending continuing professional development protocols, cancelling scheduled meetings, cancelling previously granted comp time requests, suspending our internal working rules, or calling in off-watch pilots.

We currently have 56 licensed pilots.

There were 15 MRPs in April. The shortest rest period was 10.3 hrs.

**PILOT BOAT REPORT:**

- **PVGG:** 5/1 out of service for a partial day due to a rudder pin that sheared off
- **PVCA:** out of service as of 4/21 due to port reduction gear issue, currently at BSY for planned yard period.

**BILLED VESSEL MOVES for April 2020:**

- Bar X's: 497
- Bay Moves: 124
- River Moves: 64
- Total Moves: 685
- GRT: 28 M

When comparing 2020 vessel move data with the same period in 2019, total moves were down 11% and GRT is down 10%

Respectfully Submitted,

Captain Joseph Long  
Port Agent
