

**Port Agent Report to BOPC  
June 25th, 2020**

**ABSENT FOR MEDICAL REASONS (AFMR) REPORT:**

- Captain Carlier since Sept 2019
- Captain Kirk since Dec 2019
- Captain Boriolo since Jan 2020
- Captain Klees since Mar 2020
- Captain Martin since April 2020
- Captain Pate since May 2020
- Captain Miller since June 2020
- Captain Kasper since June 2020
- Captain Tylawsky since June 2020

**RECOMMENDED MINIMUM REST PERIOD EXCEPTIONS:**

We continually monitor the dispatch list for possible 12 h MRP exceptions. If the potential exception is likely to result in a rest period of less than 10 hours mitigating measures are employed. These measures include, but are not limited to, suspending continuing professional development protocols, cancelling scheduled meetings, cancelling previously granted comp time requests, suspending our internal working rules, or calling in off-watch pilots.

We currently have 56 licensed pilots.

There were 6 MRPs in May. The shortest rest period was 10.5 hrs.

**PILOT BOAT REPORT:**

- **PVGG:** out of service 6/11-19 for planned DD but went in early to repair a crack in fuel tank and repair shaft brake
- **PVSF:** Goes to DD in July for 5yr ABS renewal and generator overhaul.

**BILLED VESSEL MOVES for May 2020:**

- Bar X's: 428
- Bay Moves: 101
- River Moves: 55
- Total Moves: 584
- GRT: 24.8 M

When comparing 2020 vessel move data with the same period in 2019, total moves were down 14% and GRT is down 13%

Respectfully Submitted,

Captain Joseph Long  
Port Agent
