Re: Leave of Absence

Good day Captain Nelson,

As you are aware, on August 27, 2020, the Board of Pilot Commissioners considered your request for a six-month Leave of Absence (LOA) from the Trainee Training Program, as per your request letter of August 17, 2020.

After a full discussion that you participated in by telephone, the Board members voted to grant a two-month LOA, commencing on August 28, 2020. This leave of absence will run from August 28, 2020 to October 27, 2020.

At the expiration of the LOA on October 27, 2020, you will be expected to resume training in the program, unless you have requested and been granted a further LOA, or resigned from the training program. The next opportunity for the Board to consider a request for a further LOA would be at the October 22, 2020 Board meeting. This request would have to be received no later than October 12, 2020, so that your request can be properly placed on the Board meeting agenda.

If you have any questions about the above information, or other concerns about the training program, or the Board processes, please do not hesitate to contact me

Respectfully,
