

2670 Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, and Suisun

The Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, and Suisun is the oversight body that licenses and regulates the maritime pilots who navigate certain large vessels entering or leaving those bays, Monterey Bay, and on tributaries to Sacramento and Stockton.

The Board's responsibilities include training and licensing maritime pilots, establishing standards for pilot fitness, incident investigation, approval of pilot boat acquisitions and improvements, oversight of the San Francisco Bar Pilot Pension Plan, and providing pilotage fee rate recommendations to the Legislature. The seven members of the Board are appointed by the Governor with the consent of the Senate, and the Secretary of the Transportation Agency is an ex-officio member. The Board was established in California's first Legislative Session, and has been in continuous existence since 1850.

All of the operational and program expenses of the Board are funded by various surcharges set by the Board, and are paid by the shipping companies that utilize services of Board-licensed maritime pilots. The Board Operations Surcharge funds the cost of Board operations, and is set as a percentage of pilotage fees. Four separate surcharges are based upon ship movements and fund a continuing education program for pilots, a pilot trainee training program, the acquisition of the Pilot Dispatch Program for use by pilots, and one temporarily funds pilot boat maintenance. Two separate surcharges are based on the tonnage of the vessel that arrives or leaves the San Francisco Bay and fund pilot boat acquisitions and improvements, and the San Francisco Bar Pilot Pension Plan.
