**NOTICE OF PUBLIC HEARING ON PROPOSED FATIGUE REGULATIONS OF THE
BOARD OF PILOT COMMISSIONERS FOR THE BAYS OF
SAN FRANCISCO, SAN PABLO, AND SUISUN**

Notice is hereby given that the Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, and Suisun (Board) will conduct a public hearing on Thursday, June 1, 2023, at 1:30 p.m., to consider oral and written statements, arguments, and contentions regarding the fatigue regulations that were the subject of a Notice of Proposed Rulemaking issued March 31, 2023. The proposed regulations are in response to the statutory directive in Harbors and Navigation Code section 1196.5 that the Board adopt regulations that will prevent pilot fatigue and thereby ensure the safe operation of vessels. The Notice of Proposed Rulemaking, the Express Terms of the proposed regulations, and the Initial Statement of Reasons are available on the Board's website: www.bopc.ca.gov

The agenda items are listed below.

Based on the recent changes to the Bagley Keene Open Meeting Act (Government Code section 11123 and 11133) by the passage of SB 189, this Board hearing will take place entirely virtually. There will not be a physical place where the public can go in-person to make public comments. Members of the Board will participate in this hearing remotely via telephone or video conference.

Members of the public may participate through the Webex platform, by telephone, or by submitting public comment in advance of the hearing. If members of the public wish to submit comments in advance, the Board requests members of the public to email written comments to bopc@bopc.ca.gov prior to the hearing. To the extent possible, all written comments will be distributed to the Board members and posted to the Board's website prior to the hearing.
