Re: Third Quarter 2023 Surcharge Rates

Dear Port Agent Carlier:

This letter summarizes all Board-designated and Fiduciary-designated surcharge rates that must be charged and collected effective July 1, 2023 through September 30, 2023. Please note that the below charges are in addition to any other legislatively authorized fees for pilotage.

On June 22, 2023, the Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, and Suisun (Board) met and reviewed the surcharge rates. At that meeting, the Board voted to maintain the existing surcharges at their current rates.

In addition to legislatively authorized pilotage fees, the following Board-designated and Fiduciary-designated surcharges shall be applied:

The **Pilot Pension Plan Surcharge rate**, authorized by Section 1165, is to be decreased to 57.81 (\$0.05781) per high gross registered ton for each vessel piloted to as provided by Section 1165(a)(1).

The **Board Operations Surcharge rate**, authorized by Section 1159.1, remains at 6.0% of all pilotage fees (since July 1, 2022).

The **Pilot Continuing Education Surcharge rate**, authorized by Section 1196.1, remains at \$60 per move (since July 1, 2022).

The **Pilot Trainee Surcharge rate**, authorized by Section 1195, remains at \$20.00 per trainee per move (since January 1, 2022).

The **Pilot Boat Maintenance Surcharge rate**, authorized by Section 1190.5, is understood to be fully collected (\$1.4 million), and has been discontinued.

The **Pilot Boat Surcharge rate**, authorized by Section 1194, remains at .0225 per gross registered ton (since January 1, 2023).

Letter to Port Agent: Third Quarter 2023 Surcharge Rates
