

PEC Chairman's Report to the BOPC January 25th, 2024

The Pilot Evaluation Committee met on January 17th 2024. The members present were Captains Bridgman, Ruff, Slack, Wehr and myself.

Agenda item A:

The three active trainees include Barron, Gallo and Johnson. The trainee's range of time in the program span from 4 months to .5 months. The fourth trainee Schuler attended trainee orientation on January 9th with Johnson and has requested that he be granted 2 months leave from starting the program while he helps his wife recovery from surgery.

Trainee's Barron, Gallo and Johnson are acquiring trips to obtain their First Class Pilotage endorsement for unlimited tonnage upon San Francisco Bay. They are observing, part handle and handle the ship on jobs under the supervision of a licensed pilot.

In closed session, all trainees were individually interviewed and counseled on their progress in the training program. All of the trainees are progressing at their own rates.

The next PEC meeting is scheduled for February 14th 2024 at 0730 in this office.
