Re: Delegation of Rights and Responsibilities of Member by the Secretary of
Transportation

Dear Mr. Garfinkle:

As you are aware, California Harbors & Navigations Code 1150, subdivision (d), which provides that the "Secretary of Transportation ... serve[s] as an ex officio member of the board who, without vote, may exercise all other privileges of a member of the board." The Secretary hereby delegates these rights and responsibilities to Deputy Secretary - Transportation Safety and Enforcement, Stephanie Dougherty. In the event Deputy Secretary Dougherty is unavailable to act as my delegate, the Secretary's rights and responsibilities as provided in Section 1150 are delegated to Deputy Secretary - Freight Policy, Christine Casey.

This delegation shall be effective immediately, rescinds prior delegations to the same effect, and shall remain in effect until rescinded in writing.

Sincerely,

Toks Omishakin
