**Karen Tynan, President**  
**Board of Pilot Commissions for the Bays of**  
**San Francisco, San Pablo and Suisun**

**Dear President Tynan**

**On Wednesday, October 16, 2024, I addressed my fellow pilots during the Good and Welfare section of our monthly meeting.**

**I discussed the Board's "Serious Concern" with regard to me passing the conn to the master of the Ruby Princess, and the issue of passing the conn to a mariner who does not hold an appropriate State or Federal Pilots License.**

**I hope this satisfies my obligation on this matter.**

**Best Regards,**

**Captain Dustin Slack**  
**San Francisco Bar Pilot**  
**Unit #27**
