

Current Mission Statement

Mission Statement

The Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, and Suisun (Board) licenses, trains, and regulates up to 60 maritime pilots who navigate ships of 750 gross tons or greater in the Bays of San Francisco and Monterey and tributaries to ports in Stockton and Sacramento.

The Board's mission is to provide competent, efficient, and regulated pilotage to ensure the protection and safety of persons, vessels, property and ecosystems in the Board's jurisdiction.

Proposed Mission Statement

Mission Statement

The mission of the California Board of Pilot Commissioners for the Bays of San Francisco, San Pablo, Suisun, and Monterey is to ensure the safe, reliable, and efficient navigation of vessels in and out of these regions by licensing, regulating, and overseeing accomplished maritime pilots. The Board is committed to protecting the public interest, the environment, and maritime commerce through rigorous standards of training, accountability, and professional conduct.
