Good afternoon Jeff,

Thanks for that clarification, but I think the CHP accountants would like the attached letter modified to match the actual wire transfer (at least that is what I get from their email).

Would that be possible?

Here is the revised worksheet I used for the August payment. It is off by \$0.44 which I will add to the September payment. Sorry for the mixup!

Good day Jeff,

Our punctilious accountants need to explain the paperwork discrepancy of \$0.30 between the submitted paperwork and the actual wire transfer.

Would you be able to provide revised paperwork to match the wire transfer?

Thank you.

Respectfully,

Allen G.

Good morning, Allen,

I noticed a \$0.30 variance between the amounts shown in your reports and the corresponding wire transfer receipt. Could you please review this discrepancy and provide the correct

backup?

For your reference, I have attached a comparison worksheet detailing the amounts and the identified variance.

Thank you for your assistance.

Thank you,

Hi Jeff,

Looking back, it looks like Allen nor I responded to your email. I double checked the figures on the information you sent over, and it looks like the funds wired to the State were based on Billing vs. Cash (your letter and worksheet are based on cash). I have attached the July Billing report for reference. It looks like SFBP overpaid for July approximately \$21K based on Billing vs. Cash. Let me know if you concur and if so, we can reconcile with the August payment. -Matt
